COURSE REGULATION DPN WITHIN VLN TEST

- The participants must have a valid driver license B which must be shown to the event organization on-site.
- All participants must possess at least a national driver license Grade A (DMSB) or an equal driver license of another National Sporting Authority connected to the FIA. Attention: After passing the course the Permit Grade B can only be handed out to drivers with an international driver license Grade C or higher. Please attach a copy of your current license to the application form.
- After attending the training and successfully passing the exam, the participant has to request the license to the DBMS on his or her own.
- Participants confirm with their signature, that they are up to the physical and mental requirements.
- Only touring cars and GT cars shall be admitted to the event. GT3 cars are not allowed. A valid DMSB car pass shall be required for all cars. Open-wheeled cars may not participate. All participating vehicles must be set up and registered in accordance with VLN or RCN 2020 regulations, or according to the annexes of the 2020 international sporting code, respectively. Historic cars and youngtimers, manufactured before 1960, shall be excluded from participation.
- **The participant's car is not allowed to continue testing after absolving the training without an additional registration with the test day organizer.**
- Participating cars must also comply with a 130 dB(A) maximum sound level.
- Cars which could damage the outward appearance of motorsport are not allowed.
- All protective clothing as well as the vehicles used must be in technically perfect condition and in line with DMSB guidelines. Violations may lead to exclusion from the event. The wearing of homologated racing clothes incl. helmet and HANS system is obligatory.
- The course is not intended to enable the achievement of top speeds but rather to achieve improved driving ability.
- There will be no timing during the whole course.
- It's essential to follow the instructions of the staff, safety team and instructors.
- Each participant must sign a disclaimer declaration. Nürburgring Driving Academy allocates starting numbers and transponders during the course. Fixed transponders from the season 2019 can be used.
- Any damages of the circuit (for example damages of the crash barriers) shall be reported immediately to the organizer. The costs will be charged to the driver after the event.
- During the course cameras outside the car are not allowed.
- Each participant must prepare for the course within an e-learning program for minimum 60 minutes and pass a test. The test result must be shown to the organizer on-site.
- Please note that the times can change, the course can be interrupted or canceled because of weather conditions.
- The general terms and conditions of Nürburgring 1927 GmbH & Co. KG (Driving Academy) apply.

Waiver of vehicle owner

(Required only if entrant / drivers are not the owners of the vehicle to be used)

I agree that the vehicle specified in the entry form takes part in the designated event. I also agree to waive claims of any type for damages occurring in connection with the event against:

- any natural or legal persons representing the organizer
- the initiators, the marshals and the track owners
- the authorities, racing services and any other persons linked to the organization of the event, the road construction/repair authorities in case of damage caused by the condition of roads and traffic installations/equipment used during the event
- the vicarious agents of all aforementioned persons and bodies
- entrants, drivers, co-drivers, holders and owners of other vehicles used at the event, the helpers of the participant/s stated in this entry form and those of other participants, as well as entrants and drivers of the vehicles provided by me (other special agreements between entrant and driver take precedence).

except for damage resulting from injury to life, body or health which is the consequence of an intentional or negligent breach of duty by the aforementioned persons and bodies - including by a legal representative or vicarious agent of the group of persons released from liability - and except for other damage caused by an intentional or grossly negligent breach of duty by the aforementioned persons and bodies - including by a legal representative or vicarious agent of the group of persons released from liability.

I am aware that the participants also signed a corresponding disclaimer, so that in case of liability claims among entrants, drivers, vehicle holders and vehicle owners, the organizer's liability insurance only covers damage to persons (not to property) caused by gross negligence.
